About me

I'm a self-taught front-end developer with a passion for both continuous learning and for personal growth. As a person who is starting out, I am constantly seeking for new ways to expand my skill set. Previously, being a teacher, I have gained a strong ability to effective communication, conflict management and planning. Right now, I am ready to start working in a company where I will have the opportunity to apply my skills and improve them.

Experience

2006-2022
CHTTIT

Social Studies Teacher

Main responsibilities:

- Teach courses in social studies and history.
- Plan, prepare and deliver instructional activities.
- Create lesson plans and modify accordingly throughout the year.
- Tutor students on an individual basis.
- Observe and evaluate student's performance.
- Prepare and distribute required reports.
